

POLITICAL SIGNS

An affidavit is required to be signed and notarized before political signs may be posted.

The following regulations must be met for the placement of sidewalk signs:

- a. No more than four square feet in area.
- b. No more than three feet in height.
- c. No closer than eight feet from curb or edge of street pavement and with property owner's consent.
- d. Not allowed in the public right-of-way, on utility poles, on trees.

The following regulations must be met for the placement of banner signs:

- a. No more than 32 square feet in area.
- b. No more than six feet in height.
- c. No closer than eight feet from curb or edge of street pavement and with property owner's consent.
- d. Not allowed in the public right-of-way, on utility poles, on trees.

Signs must be removed after placement for 90 days OR within 30 days from the date stated on the affidavit.
